

Beatbullying is the UK's leading bullying prevention charity and two times Charity of the Year. We work on the ground in schools across the country. We do this using sport, drama, music and new media, all with an emphasis on peer to peer support. In our most successful schools, bullying is reduced by up to 80%. We are asking the Government to make £4 per child available to pay for bullying prevention in every school in the country; until this happens we need your help to continue fighting child on child violence and abuse.

## HOW TO ORDER

Wearing a Beatbullying silicone wristband is a great way to take a stand against bullying during Anti-Bullying Week. As with last year's anti-bullying week, Beatbullying is delighted to be able to offer, for purchase by schools and organisations, silicone wristbands at 50p per item. The bands are being worn by celebrities across the UK in support of young people who are being bullied. Strictly limited-edition, schools can buy in bulk and, if they choose, sell them back to students to raise valuable funds for the school. Please do order quickly, as like last year, they are selling out very quickly indeed.

To order, simply fill in the form below, detach and pop it in an envelope together with your cheque (**made payable to Beatbullying Services Ltd**) and send to:

Anti-Bullying Week  
Beatbullying  
Rochester House, 4 Belvedere Road  
London SE19 2AT

If you need an invoice for your order, please send a school purchase order with your order and we will invoice you.

If you need to order through your local authority, please call Pete on 0208 768 1010.
